

Annual Technical Festival “TechnoSapiens10” at IITM 30th March 2010

The Annual Technical Festival “TechnoSapiens 10” for the academic year 2009-10 was organized at the institute on 30th March 2010. The event began with the lighting of Lamp by the Director Prof. S. Chaturvedi. Eleven games were organized at seven venues within the campus where students from various institutes across Delhi and NCR region participated.

The event started at 10.00 am with various IT games viz. “Mind Printer (Extempore)”, “NFS & CS (LAN Gaming)”, “Napsters (C/C++ Programming)”, “Ad-Maniax (Ad Making)”, “White Hackers (Hacking)”, “Bulls & Bears (Shares & Stock Trading)”, “Brain Gain (Project Planning)”, “Bug Buzters (Debugging)”, “TechMasters (IT Quiz)”, “Digital Montage (Collage Making)” held in parallel at various venues.

The event was a great success as large number of students participated in it. All game winners were awarded by Shri J.C. Sharma, Chairman IITM. The students also presented a cultural programme comprising of Dance and Song performance before the award ceremony.
