

Institute of Information Technology & Management

Date 11th August, 2010

NOTICE NO: 11

Sub.: Reappearing Students - Internal Tests of the Institute

All the regular & reappearing (Batches 2006 & 2007) students are required to complete the programme in max permissible period of (n+4) semesters or 5 years. Those who have obtained less than 50% marks in Internal Class Tests have the option to repeat & improve the class test performance in odd / even semester with the next batch of students. This is also applicable to non-promoted students of 2009-10 batches.

In such cases where the students opts to reappear in the class tests having secured less than 50% marks are to apply for Internal Test on a prescribed form available on the Institute's website/Acad. Office, 15 days before commencement of Internal Test. The schedule for Reappear class test shall be announced which will be displayed on the Notice Board of the Institute.

For reappearing in End Term University Exam the students are to check the University/Institute's website and Notice Board of the Institute.
